1819-235 Approve Master Agreement for
Architectural/Engineering Services
2018 Bond Program

Contact: Wes Rogers

Discussion:
The Board awarded the October 25, 2017 RFP for Architectural/Engineering Services to BRIC Architecture on December 17, 2017. The current pre-bond and immediate post bond contract with BRIC Architecture expires on April 7, 2019. BRIC Architecture is currently engaged in the early stages of actual design and construction bond planning after the successful passage of our November 6, 2018 bond measure. The architecture and engineering services consultant commonly referred to as the Architect is a key member of the Bond Steering Committee providing expert support and leadership to the District bond management staff.

District legal counsel has reviewed and approved the attached Master Contract. The compensation fee is within industry expectations for these services in a school bond program of our scope and schedule. The District will only be billed for actual hourly services and related reimbursable expenses.

The district's administration is recommending that the current contract be extended to December 19, 2023 and the scope of service be expanded to include all architecture and engineering services related to the 2018 Bond Program.

Recommendation
Approve.

1819-235 RESOLUTION OF THE BOARD OF DIRECTORS OF THE OREGON CITY SCHOOL DISTRICT No. 62 APPROVING PURCHASE ORDER A TO BRIC ARCHITECTURE FOR CONTINUED ARCHITECTURE AND ENGINEERING SERVICES RELATED TO THE 2018 BOND PROGRAM.

WHEREAS the District released a competitive Request for Proposal for Architecture and Engineering Services in October 2017, and

WHEREAS the District awarded the RFP to BRIC Architecture, and

WHEREAS the current pre and immediate post bond agreement with BRIC Architecture Services expires on April 7, 2019, and

WHEREAS the fees are within industry standards, and

WHEREAS legal counsel has reviewed and approves the proposed extension of said agreement, therefore

BE IT RESOLVED BY THE OREGON CITY SCHOOL DISTRICT No. 62: The District extend the Architecture and Engineering Services Contract with BRIC Architecture Services to December 19, 2023 in the amount of $10,587,884.00.

1819-239 A Resolution of Oregon City School District No. 62, Clackamas County, Oregon
Authorizing the Execution and Delivery of One or More Lease Purchase, Loan or Similar
Financing Agreement

Contact: Susan Dodd

Discussion:
The district is requesting approval to purchase up to $2,100,000 (including legal or financing fees) of
buses and vans for the 2019-20 (Year 1), 2020-21 (Year 2), and 2021-22 (Year 3) school years. These
purchases would be a combination for new buses and vans primarily for transportation and one to two
vans for Nutrition Services as needed. The amount of the financing will be spread equally over each of
the three years in $700,000 increments. The vehicles for each year need to be ordered in the prior fiscal
year to arrive during the summer of the “financed” fiscal year in order to be ready for service for that
same school year. The Board had previously approved a resolution authorizing the purchase for Year 1
of $600,000 on January 14, 2019.

This request is within our customary range to maintain an appropriate fleet average age and acceptable
total mileage rate. We have increased the yearly amount by $100,000 for transportation vans which
would be used primarily to transport specific students such as our homeless students as well as special
education students with specific needs. They can also be used as student activity vans. These cost in the
range of $40,000 to $50,000 each. We will replace some Nutrition Services vans as needed with this
increase.

The bus purchases and transportation vans are part of a long range plan for bus replacement maintained
by the District in order to ensure that the District provides safe vehicles to transport students. The District
will receive partial reimbursement (70%) for them through the State Transportation Grant over a ten year
reimbursement period based on bus depreciation and interest on debt payments. These payments are
made from our Transportation Equipment Replacement Fund. The debt payments for the food service
delivery van would be from the Food Services Special Revenue Fund. The purchases will become part of
the District’s 2019-20 Proposed Budget.

We have been working with our special counsel, our bond attorney and with Piper Jaffray to reduce
financing costs by financing these vehicles over a three year period. A typical financing in prior years
runs approximately $10,000.00 to $20,000.00 for issuance costs for each financing. We will only be
required to pay a one-time fee for all of the issuance costs which we are estimating to be approximately
$30,000.00. Since the financing is occurring after our General Obligation Bond Funding, we will be able
to invest the unused proceeds to mitigate interest expense on the obligation.

Recommendation:
Approve
1819-239 A RESOLUTION OF OREGON CITY SCHOOL DISTRICT NO. 62, CLACKAMAS COUNTY, OREGON AUTHORIZING THE EXECUTION AND DELIVERY OF ONE OR MORE LEASE PURCHASE, LOAN OR SIMILAR FINANCING AGREEMENTS.

WHEREAS, the Board of Directors (the "Board") of Oregon City School District No. 62, in Clackamas County, Oregon (the "District") have deemed it necessary and advisable to finance the costs of purchasing buses (the "Project") and paying costs of issuance through one or more lease purchase, loan or similar financing agreements (the "Agreement"); and

WHEREAS, the District desires to enter into one or more lease purchase, loan or similar financing agreements in an aggregate principal amount not to exceed $2,100,000 for the Project and costs of issuance; and

WHEREAS, the District is authorized pursuant to the Constitution and laws of the State of Oregon, namely Oregon Revised Statutes Section 271.390, to enter into such agreements to finance real and personal property projects; and

WHEREAS, the District anticipates incurring expenditures (the "Expenditures") to finance the costs of the Project, described herein, and wishes to declare its official intent to reimburse itself for any Expenditures it may make from its available funds on the Project from the proceeds of the Agreement, the interest on which shall be excluded from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); and

WHEREAS, the Board has determined that those moneys advanced to pay the Expenditures prior to the issuance of the Agreement are available only for a temporary period and it is necessary to reimburse the District for the Expenditures from the proceeds of the Agreement.

NOW, THEREFORE, BE IT RESOLVED, as follows:

Authorization. The District hereby authorizes the Superintendent, Chair or Chief Financial Officer (each an "Authorized Representative"), on behalf of the District and without further action by the Board, to negotiate the terms of the Agreement, in an aggregate principal amount not to exceed $2,100,000, with one or more banks or other financial institutions or vendors, to further select and delineate the particulars of the Project, and to execute and deliver the Agreement and any related documentation necessary to carry out this Resolution to complete the financing.

The estimated weighted average life of the Agreement does not exceed the dollar weighted average life of the Project being financed with the Agreement, as required by ORS 271.390. The District hereby determines that the Project is needed for District purposes.

Security. The District shall pay the amounts due under the Agreement from any and all of its legally available taxes, revenues and other funds as authorized by ORS 271.390. The District hereby pledges its full faith and credit and taxing power within the limitations of Sections 11 and 11b of Article XI of the Oregon Constitution to pay the amounts due under the Agreement pursuant to ORS 287A.315.

Declaring Intent to Reimburse Expenditures. The District hereby declares its official intent pursuant to Treasury Regulation Section 1.150-2 to reimburse itself for Expenditures of the Project paid prior to the issuance of the Agreement with proceeds of the Agreement.

ADOPTED by the Board of Directors of Oregon City School District No. 62, Clackamas County, Oregon this 8th day of April, 2019.
