

**OREGON CITY SCHOOL DISTRICT  
BUSINESS/EDUCATION PARTNERSHIP PROGRAM**

Would you like to help a child's classroom purchase a computer, new software, needed science equipment, or take a special field trip? There are hundreds of things our schools would like to do or buy but just aren't in their budget. Please consider becoming a Business/Education Partner by "adopting" a classroom. The funds go directly to the classroom of your choice, to be used by that teacher for equipment or projects for that classroom. This program will generate a great deal of advertising and goodwill for you and/or your business.

The cost to "adopt" a classroom is only \$500, payable either in a lump sum or up to five monthly increments. In addition to the partners who have adopted a classroom, we also have many classroom sponsors who make cash donations or in-kind donations of goods or services. All donations go directly to your classroom and are completely tax deductible. If either of these programs interests you, we encourage you to contact your local school to discuss the possibilities. The program runs from September through June of each year.
