***Student Interview - Level 1***

---

**Step 1: Directions for Case Manager:**

This interview is only to be conducted by an administrator, SRO, or school counselor as a supplement to the Level 1 Screening Protocol. Address the following questions through an interview or open-ended inquiry with the student or students of concern (who is/are in a situation that poses a threat).

Do NOT ask the student to read and complete the questions by themselves.

Although the student can provide crucial information regarding a situation, do not delay the Level 1 Assessment if the student is not available or is unwilling.

The following is an examination of current circumstances and as these circumstances change, so too does risk potential; therefore, review the results of this interview while being mindful of supervision, intervention, and the passage of time.
